Categorized by Anticompetitive Conducts

Abuse of dominance position (Section 50)

40 Cases

Unfair Trade Practices (Section 57)

28 Cases

Cartel (Section 54) 3 Cases

Strengthening competition regulation and enforcement in Digital Platform markets.

- Developing regulatory tools (i.e., operational guideline on market definition and dominance position assessment and Business code of conducts in digital markets)
- **Developing Ex-ante** "Gatekeeper" regulation (i.e., Royal Decree on digital platforms published in Royal Gazette, to be effective in **August 2023)**
- **Engaging collaboration with** digital platform regulators (i.e., **Electronic Transaction** Development Agency) to better regulate competition matters in digital economy.

Ensuring level playing field facilitating favorable conditions for MSMEs' market entry and participation.

- Strengthening law enforcement to address anti-competitive conducts in the markets effectively and to address market barriers blocking MSMEs' participation. (i.e., business quideline on credit terms for MSMEs)
- Minimizing the burdens and costs imposed on MSMEs to comply with competition laws
- Cooperating with MSMEs promotion agencies to initiate compliance activities

Developing tools for data analysis to facilitate in-depth market condition reviews and

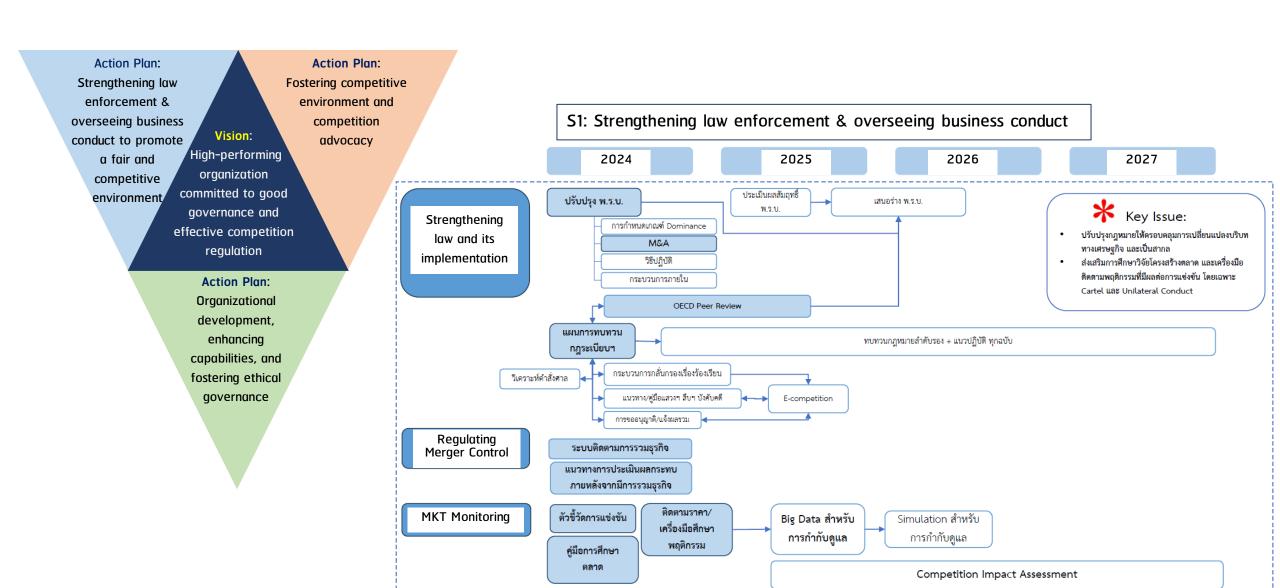

Enhancing effectiveness of competition advocacy initiatives

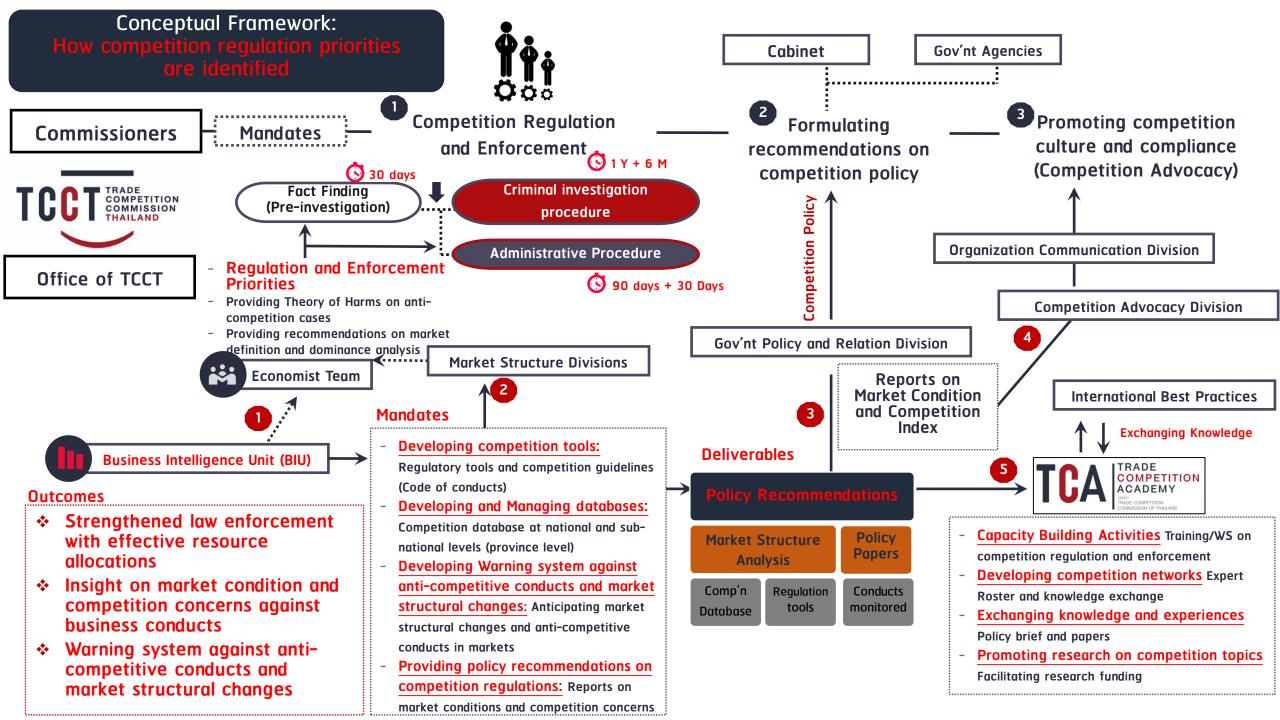

- Establishing Business Intelligence Unit (BIU) to develop and manage databases for regularly monitoring market condition and competition concerns.
- Strengthening prioritization in selecting markets to conduct market inquiries and reviews.
- Developing Warning system against anti-competitive conducts and market structural changes

- Engaging business operators to rise competition awareness and better understand competition law and regulation.
- Advocating for competition policy to integrate the competition regime into the broader economic policy.
- Advocating for compliance and enforcement by enhancing the understanding of the role of competition authorities in investigating complaints.
- Strengthening collaboration with sector regulators and relevant gov't agencies to address competition concerns
